

Shell Rimula All Purpose Diesel Engine Oil 20W-40

• Reliable Lubrication

Heavy Duty Diesel Engine Oil

Shell Rimula All Purpose Diesel Engine oil reacts to the varying needs of your engine and keeps it clean. Its protective energy ensures reliable and consistent protection against deposits and wear and resists thickening by heat.

Performance, Features & Benefits

• Engine cleanliness

Shell Rimula All Purpose Diesel Engine Oil incorporates a detergent additive system to control piston deposits and maintain good standards of engine cleanliness.

• Long engine life

Provides consistent lubrication and protection against corrosion and wear throughout the oil drain interval to prolong the life of the engine.

Main Applications

• Automotive diesel engines

Shell Rimula All Purpose Diesel Engine Oil is designed for use in medium and heavy duty diesel engines using low sulphur/medium diesel fuel. Shell Rimula All Purpose Diesel Engine Oil is suitable for use in older turbo-charged or non turbo-charged engines of light/medium duty burning low to high sulphur, distillate fuels.

• On and off-highway applications

Suitable for long distance trucking and similar 'constant speed' on-road operations as well as use in stop-start operations such as agriculture, construction and city driving.

Specifications, Approvals & Recommendations

• API CF

Typical Physical Characteristics

Properties			Method	Shell Rimula All Purpose Diesel Engine Oil 20W-40
Kinematic Viscosity	@40°C	mm ² /s	ASTM D445	127
Kinematic Viscosity	@100°C	mm ² /s	ASTM D445	14.3
Density	@15°C	kg/l	ASTM D4052	0.890
Flash Point (COC)		°C	ASTM D92	230
Pour Point		°C	ASTM D97	-18

These characteristics are typical of current production. Whilst future production will conform to Shell's specification, variations in these characteristics may occur.

Health, Safety & Environment

• Health and Safety

Shell Rimula All Purpose Diesel Engine Oil is unlikely to present any significant health or safety hazard when properly used in the recommended application and good standards of personal hygiene are maintained.

Avoid contact with skin. Use impervious gloves with used oil. After skin contact, wash immediately with soap and water.

Guidance on Health and Safety is available on the appropriate Material Safety Data Sheet, which can be obtained from www.epc.shell.com

- **Protect the Environment**

Take used oil to an authorised collection point. Do not discharge into drains, soil or water.
