Diamond Technology

## More cutting power with longest lifetime in class – the marble saw from Bosch.

Powered by a robust 1300W motor, GDM 13-34 has the longest tool lifetime in its class. Built to deliver perfect balance and control, it provides a clear view of the cutting line at 45 & 90 degrees and an adjustable base plate for 45 degree bevel cuts. With its handy and ergonomic design, fatigue-free work is ensured.

The Diamond Drill GDB 2500 WE Professional drills through concrete with rebar powerfully and without vibration.

With the vacuum pump, the drill stand sits as if it were secured by wall plugs.
