

Loctite O-Ring Kit (Metric)
16224

Leveres i Danmark uden lim.
Loctite anbefaler Loctite 406 (RS 143-7043)
eller Loctite 401 (RS 143-7009)

Loctite O-Ring Kits make any size O-Ring in seconds. Reduce downtime when static o-rings fail, no more waiting for special sizes. Reduce spare parts inventory. Many O-Rings can be replaced without dismantling.

Applications: Mining, manufacturing, farm, earthmoving, maintenance, repair, overhaul.
