

BS 2013

The BS 2013 has been developed by Bata Industrial as a natural extension of the body. It is a relatively light weight shoe which is also suited to more heavy duty work. The great strength of BS 2013 lies in perfect fit given that the BS 2013 need to provide protection and wear comfort in intensive use, the shoes are made with polyurethane sole and top quality leather & other superior material.

SOOTHE
